

ATOMY's Top 20

#1: Evening Care 4 Set

One of the most favored Atomy products. Many claim that just using this system for a few days has shown drastic improvements in their skin. You get:

Deep Cleanser which goes deep into the pores.

Foam Cleanser that uses foam to draw out unwanted oils and dirt.

Peeling Gel helps to remove horns.

Peel Off Mask which firms and protects.

#2: Foam Cleanser

As you rub this foaming cleanser on your face, you can feel it pulling the garbage from your pores. Just wash off with warm water and feel and see the clean complexion. This is a huge seller.

#3: Atomy Skin Care 6 System

This is a huge selling skin care system from Atomy. It includes:

Toner that moisturizes.

Eye Cream to delete wrinkles.

Essence to nurture.

Lotion for hydration.

Nutrition Cream to help slow the skin's aging process.

BB Cream to protect against the sun's rays.

#4: Essence

The secret ingredient is brown rice. Atomy found how to properly ferment and culture the brown rice so it penetrates into your skin providing the nurturing it needs.

#5: HemoHim

Atomy's signature product. HemoHim is a dietary supplement that is recommended for those who need extra energy. It is known to provide energy along with helping to build a healthy immune system. HemoHim is one of the first Atomy products, and has helped the company grow substantially.

#6: Again Serum

This serum solves many skin issues using a special blend of natural herbs and mushroom extracts. When your skin seems dry, the Again Serum can bring it back to a moist state.

#7: Hair Conditioner

This conditioner moisturizes your hair and leaves it soft and shiny. It also reduces the static electricity which can make hair do chaotic things.

#8: Dish Detergent

This highly concentrated dish detergent cleans the toughest of dish jobs. With just 1 drop, you can remove grease and grime better than the majority of store bought detergents. What's more, it uses all natural ingredients.

#9: Hair & Body Set

This is an all-around set of products for complete hair and body care. With this set, you get:

Herbal Shampoo. A deep cleansing shampoo that leaves your hair shiny and easy to manage.

Herbal Treatment Hair Pack. Keeps your hair hydrated and free of split ends.

Body Cleanser. Using organic herbs, it cleans deep down leaving you feel clean for hours.

Hair Treatment Liquid. This cleans the roots and scalp deeply.

#10: A.C. Care Special

This is a high selling special that sells out often. Included is:

Calming Skin. It calms your skin inside and out.

A.C. Solution. This is put on the acne prone areas to protect against excessive oil buildup.

Control Mix. This is applied last to provide needed nutrients to your skin.

#11: Calming Skin

The special blend of herbs in this Atomy product calm your skin deep inside, while the special water hydrates and protects your skin on the outside.

#12: Body Rich Lotion

Using a special blend of oils and herbs, this rich body lotion hydrates your skin from the effects that can dry it out during a day's activities. The fragrance is a sweet and sour apple that is pleasing to the senses.

#13: Deep Cleanser

This product goes deep into your pores to remove the waste and contamination. It also nourishes the skin.

#14: Cafe Arabica

There is no need to make a whole pot of coffee. This Atomy coffee comes in single serving sticks, and is made with some of the finest coffee beans in the world.

#15: Herbal Treatment Hair Pack

Apply this treatment after shampooing. It keeps hair moist and keeps hair from splitting. Keeps your hair smooth and shiny.

#16: Atomy Toothbrush

You get 8 of the super slim toothbrushes. This slim brush makes it easier to get to all the areas where plaque builds up.

#17: Herbal Shampoo

Using a blend of Aloe Vera and Avocado, this shampoo deep cleans the scalp, removing contaminants and waste. Not only does it provide a clean fragrance, it protects your hair from further damage.

#18: Color Food Vitamin C

Just add a stick of this to your water and get 500 milligrams of Vitamin C, along with 7 other color foods that help maintain a healthy body. The mango flavor is delicious and it helps you maintain your active lifestyle.

#19: Herb Day Panty Liner

It doesn't have to be a bad day. You can feel, and smell herbal fresh.

#20: Atomy Men

There are 3 items that help man's skin.

Toner. This is an after shave that absorbs and protects your skin.

Essence. This item takes care of fine lines and evenly tones the male skin.

Lotion. This puts a protective layer, keeping the skin hydrated.
